Harley Ride

It has been a long time since I have posted here. I use Facebook primarily for content sharing now. I do still use my site for helping me keep up with biographical information around my career, cyber security feeds, and other geeky items. Here is one of my favorite photos from this past weekend. Sherri and I riding on the Harley making a stop to get gas. Sherri had to get a selfie. Nothing like a Harley ride to make the day feel better.
